

AIMUN

Amity International Model United Nations

14th to 16th October 2026
Wednesday, Thursday & Friday

Message from the Chairperson

**Dear Delegates,
Namaste!**

It gives me immense pleasure to welcome you to the **17th Edition of the Amity International Model United Nations (AIMUN 2026)**. As we gather once again, I am inspired by the enthusiasm, intellect, and commitment of young minds who have chosen dialogue over division and cooperation over conflict.

Today, humanity stands at a defining moment. Artificial Intelligence is transforming societies, climate change continues to test our resilience, geopolitical conflicts challenge international peace, and rapid technological advancements present both extraordinary opportunities and unprecedented ethical dilemmas. More than ever before, the world needs compassionate leaders who can think critically, negotiate wisely, and act with courage.

At AIMUN 2026, you will deliberate on some of the most pressing issues confronting our world—from strengthening global food security and accelerating climate action to shaping the governance of Artificial General Intelligence, promoting economic cooperation, and addressing evolving security challenges. These discussions are not merely simulations; they are opportunities to cultivate the qualities of leadership, diplomacy, empathy, and responsible global citizenship that our future demands.

At Amity, we firmly believe in the timeless Indian philosophy of "**Vasudhaiva Kutumbakam**"—**the World is One Family**. This profound ideal reminds us that despite our diverse cultures, beliefs, and nationalities, we share a common responsibility towards humanity and our planet. AIMUN embodies this spirit by bringing together students from different regions and countries to learn from one another, celebrate diversity, and work collectively towards peaceful and sustainable solutions.

The future will not be shaped merely by technological innovation or economic progress; it will be defined by the values with which we use them. I encourage each one of you to approach every committee with an open mind, intellectual curiosity, integrity, and respect for differing perspectives. Speak with confidence, listen with humility, negotiate with wisdom, and always remember that meaningful diplomacy begins with understanding.

May AIMUN 2026 inspire you to become thoughtful leaders, ethical decision-makers, and ambassadors of peace who will contribute positively to the global community.

I wish you an enriching, memorable, and transformative conference.

**With my best wishes,
Dr. (Mrs.) Amita Chauhan
Chairperson
Amity Group of Schools**

Message from the Charge D'Affaires

Dear Delegates,

Swagatam! Welcome to the 17th Amity International Model United Nations.

What if one conversation could change the way you see the world?

That is the spirit of AIMUN!

Here, every conversation is an opportunity to discover a new perspective, every debate a chance to build understanding, and every handshake the beginning of a lifelong friendship.

Our ancient wisdom beautifully reminds us:

"आ नो भद्राः क्रतवो यन्तु विश्वतः।" (Rig Veda)

"Let noble thoughts come to us from every direction."

Perhaps, that is the very essence of diplomacy.

Listen with respect. Speak with courage. Disagree with dignity. Lead with compassion.

Inspired by the visionary leadership of our Hon'ble Chairperson, Dr. (Mrs.) Amita Chauhan, recipient of the Youth Noble Peace Prize 2025, and guided by the timeless Indian philosophy of "Vasudhaiva Kutumbakam" – The World is One Family, AIMUN was created with a simple yet profound purpose—to nurture young people who lead with knowledge, character, courage, and compassion.

This year, our committees are far more than agendas—they are windows into your future. From BRICS and global diplomacy to climate action, human rights, global health, and the rapidly evolving world of Artificial Intelligence, each committee has been thoughtfully designed to challenge your thinking, broaden your horizons, and inspire meaningful action.

As AI reshapes the world at an extraordinary pace, remember that while technology may become smarter, humanity must become wiser. The future will belong not only to those who innovate, but to those who innovate with purpose... who pair brilliant minds with compassionate hearts, and use knowledge to serve humanity.

May you leave AIMUN with new ideas, lasting friendships, and the confidence to make a difference wherever life takes you.

Welcome to the AIMUN family. The world is waiting for your voice.

With warm wishes,

Jyoti Arora

Director

Amity Educational Resource Centre (AERC)

Amity Group of Schools

5. ***Lok Sabha***

Agenda: “Deliberation upon Delimitation of Parliamentary Constituencies and the Implementation of the Women’s Reservation Act”

6. ***UNFCCC***

Agenda: “Accelerating Global Climate Action: Mitigation, Adaptation, and Climate Justice in the Face of Global Warming”

Committees and Agendas

7. Wizarding World Council (WWC)

The Second Wizarding War ended with the defeat of Lord Voldemort. Although peace was restored, the magical world remains deeply divided.

Several challenges threaten global stability:

- *Hidden followers of dark magic have reorganized.*
- *Goblins demand equal political representation.*
- *House-elves seek legal rights.*
- *Giants and werewolves seek recognition.*
- *Illegal magical artefacts are being smuggled across continents.*
- *Ancient magical creatures are awakening.*
- *Muggles have begun detecting unexplained magical phenomena using advanced surveillance technologies.*

Stolen Time-Turners threaten the integrity of history itself.

The International Confederation of Wizards has therefore convened an emergency Wizarding World Council to preserve peace before the magical world descends into another global conflict.

8. Artificial Intelligence Conference

Agenda: “Regulating Artificial General Intelligence (AGI) and Preventing Existential Risks to Humanity”
